PROFILE

Proactive UX Designer with 8 years experience. I love solving UX problems and finding opportunities for good user experience

Having worked with good assortment of web, mobile and B2B products. I am highly proficient in building high quality user flows, wireframes and interactive prototypes for establishing and justifying the product direction.

My approach to good design is finding the right balance of empathy, usability, aesthetics, and a deep understanding of my users.

WORK EXPERIENCE

MResult Services   Dec 2014 - Present

Lead UI/UX Designer   Dec 2020 - Present

Leading a team of 4, collaborating effectively and evaluating the feasibility of proposed designs. Responsible for creating information architecture, delivering innovative concepts, prototypes and user centered designs.

Senior UI/UX Designer   Apr 2019 - Dec 2020

Responsible for analyzing feedback from customers and identify design solutions to improve web functionality and interactions. Fulfilled multiple roles, design, development, migration and testing.

Web Designer   Dec 2016 - Apr 2019

Worked independently and as part of cross-functional teams on conceptualizing website design and optimization. Performed testing and research on user journeys, developed storyboards to deliver presentation to UX team on design enhancements.

Associate Web Designer   Dec 2014 - Dec 2016

Worked as a generalist, designed banners, brand logos, along with front-end development. Creating wireframes, Low-fidelity mock-ups and reviewing with multiple teams and making necessary edits to address technical or business concerns.

ITC Infotech

Internship Trainee   Jul 2014 - Oct 2014
